INDEPENDENT CONTRACTOR AGREEMENT

Gorilla Capital Fund (“Gorilla”) hereby engages _____ (“Contractor”) as an independent contractor, and the Contractor hereby accepts such engagement to perform services for Gorilla at any of its properties, such to be specified through a bidding process and incorporated herewith.

The Contractor agrees to complete all work under this contract in a workmanship like manner and in compliance with all building codes and other applicable laws. The Contractor warrants such, and guarantees all work performed for Gorilla for one year after the date of Substantial Completion. The Contractor agrees to carry liability insurance, as outlined and required in the Contractor Packet incorporated herein by reference thereto, with liability limits equal to or greater than those required for building contractors by state law, and to provide Gorilla with a current Certificate of Liability Insurance, and provide Gorilla with proof of renewal or changes of such.

The Contractor further agrees to indemnify and hold Gorilla harmless from issues that arise from the Contractor’s work, including but not limited to, claims or liens by the Contractor’s workman, sub-contractors, or materialmen in connection with the work performed, or from losses, expenses, damages, and injuries due to the Contractor, or his/her workman, sub-contractors, or materialmen failing to perform work in a reasonable workmanlike manner. Additionally, Contractor agrees to indemnify and hold Gorilla harmless for any damage to, loss of, or theft of tools, materials, or property of the Contractor or his/her employees, sub-contractors, or workmen.

Gorilla strives to promptly pay all contractors for completed work; Gorilla normally will issue payment to Contractor within 10 business days after Gorilla receives the proper documentation and approval. Such documentation must be submitted according to Gorilla’s Accounting Procedures (see gorillacapital.com/contractor or reference the cover page of this packet). The timeframe in which Gorilla issues payment to Contractor depends on the Contractor’s ability to properly submit invoices and documentation in the correct manner.

Any changes or modifications to this agreement must be made in writing and be signed by Gorilla Capital’s CEO.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 4.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
